

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES OF AT&T	)	
COMMUNICATIONS OF THE SOUTH CENTRAL	)	CASE NO. 10221
STATES, INC.	)	

O R D E R

On April 11, 1988, AT&T Communications of the South Central States, Inc., ("AT&T") filed its notice of intent to file an application for rate adjustment pursuant to 807 KAR 5:011, Section 8(1). Included with that notice were the following motions:

1) That the Commission waive the requirement of 807 KAR 5:011, Section 8(1) that the notice of intent be filed 4 weeks prior to filing the application for rate adjustment and allow AT&T to file its application on May 2, 1988, which is 21 days following the proposed filing date.

2) That the Commission permit AT&T to use the abbreviated form of newspaper notice provided for by 807 KAR 5:011, Section 8(1).

3) That the Commission permit AT&T's application to deviate, in part, from the requirements of 807 KAR 5:001, Section 6. Specifically, AT&T has requested permission to file a financial exhibit consisting exclusively of a detailed income statement, with adjustments, covering operations for a period ending December 31, 1987.

4) The Commission dispense with the requirement of 807 KAR 5:001, Section 10 (1)(c) requiring AT&T to provide a description of its property.

The Commission, having considered the motions and being advised, finds that:

1. AT&T's rate filing will include only rate reductions.
2. Given the nature of AT&T's proposed filing, the granting of AT&T's motions would be in the public interest.

Good cause having been shown, IT IS THEREFORE ORDERED that the motions proposed and the deviations requested by AT&T be and they hereby are granted.

Done at Frankfort, Kentucky, this 29th day of April, 1988.
